

## Definition of IC-PBL

Industry-Coupled Problem-Based Learning (IC-PBL) is a learner-centered educational model at Hanyang University ERICA in which learners solve context-rich problems occurring in real-life fields, coupled with industry, society, and university.

## ERICA IC-PBL Curriculum

Explore an industry from the field for class contents  
Develop PBL scenarios with hands-on subjects from the industry

- Provide learners with relevant materials of industry
- Interim review of learner's report by industry manager

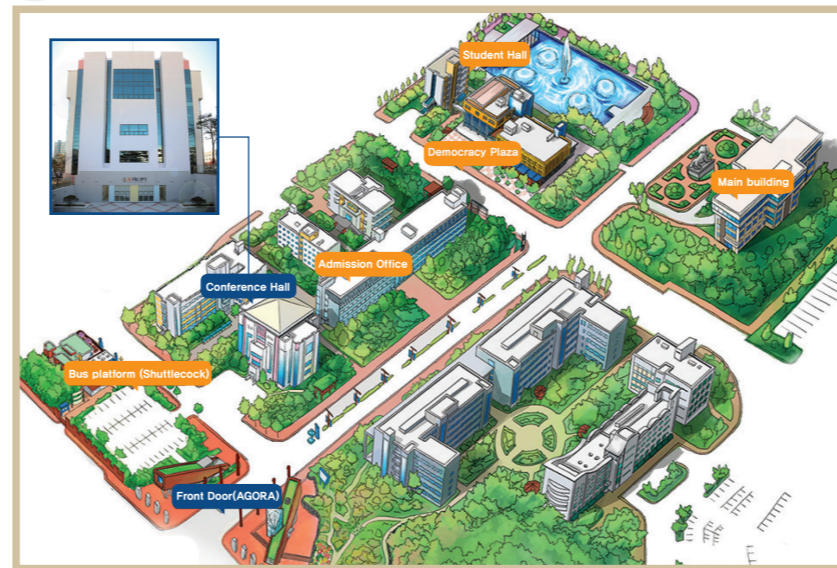

- Feedback and evaluation of the learner's final report
- Adoption and application to a solution in the industry

## Application and Expense

- ◆ Application Deadline :
  - Day1/2, Day1, Day2 program : No later than 2 weeks prior to the 1st day of program
  - POD : No later than 1 month prior to the 1st day of program
- ◆ Expense : Decision after due consideration depending on participation program and participant number
- ◆ Guest House User : In case you want to stay at ERICA Guest House, proxy reservation is available at university membership price (Prior application is required for all ERICA Guest House users / Check it on the application form)
- ◆ Application Submission : With prior consultation with The IC-PBL Center, submit the official form after downloading and filling out the application form at the website.
- ◆ Phone : +82-31-400-4892

# ERICA IC-PBL TIP

Industry - Coupled Problem - Based Learning  
Together Impressive Program

## IC-PBL TIP Overview

### What is IC-PBL TIP ?

IC-PBL TIP is an educational program by which we publicize, spread, and the excellence in ERICA IC-PBL curriculum, an innovative educational model at Hanyang University ERICA.

### Subject

- Instructor or manager in a university or related institute who wants to apply IC-PBL to educational field.
- Program runs with more than two participants per team.

### Program component

Flexible content and level depending on participating institute and subject' s demand.

### Application

- Download the application form at The IC-PBL Center website.  
( English : <http://icpbl-eng.hanyang.ac.kr> Chinese : <http://icpbl-chn.hanyang.ac.kr> )
- Submit the form after an inquiry for the schedule.
- Expense : Decision after due consideration depending on participant number and program content
